1 PREP

- Adjust rack to top position (**top and middle positions for 8 servings**) and preheat oven to 425 degrees. **Wash and dry produce.**
- Drain **pineapple**; roughly chop. Halve, peel, and thinly slice **onion**. Halve, core, and thinly slice **green pepper**. Quarter **lime**.

4 ASSEMBLE QUESADILLAS

- Coat a baking sheet (**two sheets for 8 servings**) with **nonstick cooking spray**. Place **half the tortillas** on prepared sheet.
- Evenly sprinkle tortillas with **half the Mexican cheese blend**; using a slotted spoon, cover with **pork filling**. Top with remaining Mexican cheese blend and remaining tortillas.
- Place a separate baking sheet on top of **quesadillas (use two more sheets for 8 or bake in batches)**. **TIP: Don't skip this step! Adding a little weight is the best way to get evenly golden and crisp tortillas.**

2 START PORK FILLING

- Heat a **drizzle of oil** in a large pan over high heat. Add **pineapple, onion, and green pepper**.
- Cook, stirring occasionally, until lightly browned and beginning to soften, 3-4 minutes; season with **salt and pepper**. (**For 8 servings, work in batches, adding another drizzle of oil for each batch.**)

5 BAKE QUESADILLAS

- Bake **quesadillas** on top rack (**top and middle racks for 8 servings**) until golden brown, 15-20 minutes.
- Remove stacked sheets from oven. Carefully remove top sheet and set aside. **TIP: If your quesadillas aren't browned yet, return to top rack for 3-5 minutes without the top sheet.**
- Transfer quesadillas to a paper-towel-lined plate and let cool.

3 FINISH PORK FILLING

- Push **veggies** to one side of pan; add another **drizzle of oil** to empty side. Add **pork*** and **Fajita Spice Blend** and cook, breaking up meat into pieces, until browned and cooked through, 4-6 minutes. **TIP: If there's excess grease in your pan, carefully pour it out.**
- Stir pork and veggies to combine. Stir in **half the Tex-Mex paste (all for 8 servings)** and **juice from half the lime**; cook until thickened and saucy, 1-2 minutes. Taste and season with **salt and pepper**.

6 FINISH & SERVE

- Once cool enough to handle, slice **quesadillas** into wedges. Transfer to a serving platter.
- Serve family style with **pico de gallo (draining first)**, **sour cream**, **tortilla chips**, and **remaining lime wedges** on the side.

*Ground Pork is fully cooked when internal temperature reaches 160°.
