# HELLO

### **TOSTADAS**

Translating to "toasted," these crunchy, flat tortillas can be piled with all sorts of toppings.

#### **FORK IT OVER**

We prick tortillas with a fork to prevent air pockets and puffiness. Flat tortillas = more surface area for toppings!

#### 1 PREP

- Adjust racks to top and middle positions and preheat oven to 450 degrees. Wash and dry produce.
- Halve, core, and thinly slice bell pepper into strips. Peel and dice sweet potato into ½-inch pieces. Halve, peel, and thinly slice onion; mince a few slices until you have 2 TBSP (4 TBSP for 4 servings).

#### **2 ROAST VEGGIES**

- Toss bell pepper, sweet potato, and sliced onion on a baking sheet with a large drizzle of oil, Fajita Spice Blend, a big pinch of salt, and pepper.
- Roast on top rack until browned and tender, 20-25 minutes. (For 4 servings, divide veggies between 2 sheets; roast on top and middle racks.)
- Heat a drizzle of oil in a large, preferably nonstick, pan over medium-high heat. Add beef\* or turkey\* to pan; season with salt and pepper. Cook, breaking up meat into pieces, until browned and cooked through, 4-6 minutes.

- While veggies roast, dice tomato into 1/4-inch pieces. Roughly chop cilantro. Quarter lime. Mince jalapeño, removing ribs and seeds for less heat.
- In a medium bowl, combine tomato. minced onion, cilantro, juice from half the lime, a pinch of salt and pepper, and as much jalapeño as you like.
- · In a small bowl, whisk together mayonnaise and guacamole. Whisk in water 1 tsp at a time until mixture reaches a drizzling consistency. Season with salt.

#### **4 MAKE TOSTADAS**

- Drizzle tortillas with 1 TBSP oil (2 TBSP for 4 servings): brush or rub to coat both sides. Arrange on a second baking sheet in a single layer. Gently prick each tortilla in a few places with a fork.
- Bake on middle rack, flipping halfway through, until lightly golden, 2-3 minutes per side. (For 4, wait for veggies to finish roasting, then transfer veggies to a large bowl. Divide tortillas between baking sheets and bake on top and middle racks, flipping tortillas and swapping rack positions halfway through.) TIP: Watch carefully-tortillas can quickly go from toasted to burned!

#### **5 WARM BEANS**

• Meanwhile, heat a drizzle of oil in a medium pot over medium-high heat. Add **refried black beans** and cook until warmed through. 1-2 minutes.

#### **6 FINISH & SERVE**

- Divide tostadas between plates; spread each with refried beans. Top with roasted veggies, salsa, and creamy guacamole. Serve with remaining lime wedges on the side.
- Top tostadas with beef or turkey along with veggies.
