CHOLULA® HOT SAUCE

Cholula® Hot Sauce features arbol and piquin peppers and a blend of signature spices that deliver unique flavor with the right amount of fiery heat.

TOP-NOTCH 'TILLAS

In step 4, we instruct you to warm your tortillas in the microwave. If you have a few extra minutes, however, you can char your tortillas over the flames of your gas stove for smoky, fire-touched flavor and a crispier texture. Using tongs and working one at a time, place tortillas directly on the burner until lightly charred on both sides.
