GREEK AVOCADO TOASTS WITH EGGS

with Cucumber Tomato Salad & Feta

INSTRUCTIONS

- **Wash and dry produce.** Trim and dice **cucumber** into ½-inch pieces. Dice **tomato** into ½-inch pieces.
- In a medium bowl, combine **vinaigrette** and **one packet sour cream (two packets for 4 servings)**. Stir in **cucumber** and **tomato**; season with **salt** and **pepper** to taste.
- In a second medium bowl, combine **guacamole** and **remaining sour cream**. Season with **salt** and **pepper**.
- Pour ½ cup water into each of two microwave-safe mugs. Microwave for 1 minute. Carefully crack **one egg*** into each mug and tightly cover mug with plastic wrap. Microwave until egg whites are set and yolks are cooked to preference, 50-60 seconds more (**times may vary based on microwave power; if needed, continue to microwave in 10-second intervals until eggs reach desired doneness**). Using a slotted spoon, carefully transfer **eggs** to a paper-towel-lined plate; discard water. Season with **salt** and **pepper**. (**For 4 servings, repeat to cook remaining eggs.**)
- Toast **sourdough** until golden. Divide between plates; spread with **creamy avocado sauce**. Top with **cucumber tomato salad, feta, and eggs**. Serve.

*Wash hands and surfaces after handling raw eggs. Consuming raw or undercooked eggs may increase your risk of foodborne illness.
