Roast the Wedges

Preheat the oven to 200°C. Chop the **potatoes** into 2cm wide wedges and pop on a tray. Drizzle with **oil** and season with **salt, pepper, the turmeric** and **nigella seeds**. Use your hands to rub the flavourings all over the **wedges**. Arrange in an even layer and roast in the middle of your oven until crisp and golden, 25-30 mins. Turn halfway through cooking.

Prep

Meanwhile, remove the **pistachios** from their shells and finely chop. Roughly chop the **coriander** (stalks and all). Trim and coarsely grate the **carrot** (no need to peel). Drain and rinse the **chickpeas** in a sieve. Zest and halve the **lemon**.

Make the Burgers

Pop the **chickpeas** into a large bowl. Break them up with the back of a fork then add the **pistachios, carrot, lemon zest, coriander, the flour, Zanzibar spice mix** and **mango chutney**. Season with **salt** and **pepper**. Squish together with your hands until mushy and the **mixture** sticks together. Keep to one side.

Cook the Burgers

Heat a splash of **oil** in a large frying pan over medium-high heat. Fry the **chickpea burgers** in the hot **oil** until golden on both sides. This should take around 3-4 mins on each side.

Finish Off

Meanwhile, halve the **buns** and warm for 2 mins in the oven. Slice the **tomatoes**. Pop the **rocket** in a bowl. Add a squeeze of **lemon juice** to the **rocket** along with a splash of **olive oil** and a pinch of **salt** and **peppers**. Toss together.

Serve

Spread a little **mayo** over each **bun half**. Pop a **chickpea burger** on the bottom **bun**, then place some **tomato slices** on top. Top with a handful of **rocket** and sit the other half of the **bun** on top. Share the **wedges** between your plates and place the **burger** alongside. Serve with any remaining **rocket** and **tomato** on the side.

Enjoy!

There may be changes to ingredients in recipes:

Allergens: Always check the packaging of individual products/ingredients for up to date information.

Missing Ingredients: You will be notified by email if an ingredient is missing or replaced, with any potential recipe step changes.
