HELLO

CHIMICHURRI

This traditional sauce from Argentina is tangy, herbaceous, and perfect for serving with steak

PREP: 10 MIN | COOK: 35 MIN | CALORIES: 810

HELLO FRESH

AWESOME SAUCE

Adjust the chimichurri to taste with vinegar, onion, garlic powder, and/or chili powder. It should be balanced, with no single flavor dominating.

BUST OUT

- Small bowl
- Paper towels
- 2 Baking sheets
- Large pan
- Kosher salt
- Black pepper
- Cooking oil (1 TBSP | 1 TBSP)
- Olive oil (1½ TBSP | 3 TBSP)

1 PREP

- Adjust rack to middle position and preheat oven to 425 degrees. Bring **garlic herb butter** to room temperature. **Wash and dry produce.**
- Trim **green beans**, if necessary. Halve, core, and thinly slice **bell pepper** into strips. Halve, peel, and cut **onion** into ½-inch-thick wedges; mince a few wedges until you have 1 TBSP (2 TBSP for 4 servings). Finely chop **parsley**.
- Combine ¼ tsp **garlic powder** (½ tsp for 4) and ¼ tsp **chili powder** (½ tsp for 4) in a small bowl. (You'll use the rest of the garlic powder and chili powder later.)

2 ROAST VEGGIES

- Toss **green beans, bell pepper,** and **onion wedges** on a baking sheet with a **large drizzle of oil, remaining garlic powder, salt, and pepper.** Roast on middle rack until browned and tender, 15-20 minutes.

3 MAKE CHIMICHURRI

- Meanwhile, add **parsley, minced onion, 1½ TBSP olive oil (3 TBSP for 4 servings), and 1 tsp vinegar (2 tsp for 4)** to bowl with **reserved garlic powder and chili powder.** Stir to combine; season with **salt and pepper.** **TIP: Add a little more vinegar if you prefer a tangier chimichurri.**

4 PREP CHEESY BREAD

- Halve **ciabatta** lengthwise and spread with **half the garlic herb butter.** Place on a second baking sheet and top with **Italian cheese blend.** Set aside (you'll finish the cheesy bread in Step 6).

5 COOK STEAK

- Pat **steak*** dry with paper towels; season all over with **remaining chili powder, salt, and pepper.**
- Heat a **drizzle of oil** in a large pan over medium-high heat. Add steak and cook to desired doneness, 4-7 minutes per side.
- Remove pan from heat. Add **remaining garlic herb butter** to pan; spoon melted butter over steak until coated. Transfer steak to a cutting board to rest for at least 5 minutes.

6 BROIL CHEESY BREAD

- When **veggies** are done, remove from oven. Heat broiler to high.
- Transfer baking sheet with **cheesy bread** to oven; broil until cheese is golden and bubbly, 2-3 minutes. **TIP: Watch carefully to make sure it doesn't burn!**

7 SERVE

- Slice **cheesy bread** on a diagonal into triangles. Slice **steak** against the grain.
- Divide steak, **veggies,** and cheesy bread between plates. Spoon **half the chimichurri** over steak. Serve with remaining chimichurri on the side for dipping.
