1. Do the Prep

Halve the **peppers** and discard the core and seeds. Slice into thin strips. Peel and grate the **garlic** (or use a garlic press). Halve the **tomatoes**. Roughly chop the **parsley** (stalks and all). Cut the **lemon** into wedges.

4. Add the Rice

Add the **rice** to the pan along with **half** the **parsley**. Stir to make sure it is coated in **oil** and cook for 2 mins. Pour in the boiling **water** (see ingredients for amount) along with the **stock powder** and stir to dissolve.

2. Brown the Chicken

Heat a splash of **oil** in a large saucepan on high heat. When hot, add the **chicken** and season well with **salt** and **pepper**. Fry until browned, 3-5 mins. Stir occasionally to avoid sticking. Once browned on all sides, remove from the pan and set aside on a clean plate. **TIP:** You may want to do this in batches to avoid stewing the chicken.

5. Cook the Rice

Return the **chicken** to the pan and bring to the boil. Reduce the heat to medium, cover with a lid (or some foil) and cook for 15 mins. Remove from the heat and set aside (still covered) for another 10 mins. **IMPORTANT:** The chicken is cooked when no longer pink in the middle.

3. Cook the Veggies

Put another splash of **oil** in your now empty saucepan. Add the **peppers** and **tomatoes**. Cook until softened, about 5 mins. Stir in the **garlic**, **chorizo** and **paprika**. Cook, stirring, for 3 mins. Meanwhile fill and boil your kettle.

6. Serve

Once cooled, add a squeeze of **lemon juice**. Taste the **rice** and season with **salt** and **pepper** and more **lemon juice** if it needs it. Sprinkle on the remaining **parsley**. Put the pan on the table, topped with **lemon wedges**, and let everyone help themselves.

Enjoy!
