Get Prepped

Preheat your oven to 200°C. Chop the **potatoes** into 2cm wide wedges (no need to peel). Halve the **pepper** and discard the core and seeds. Thinly slice and chop into 1cm pieces. Roughly chop the **coriander** (stalks and all). Halve the **chilli** lengthways, deseed then finely chop. Peel and grate the **garlic** (or use a garlic press). Drain and rinse the **black beans** in a colander and pop **half** of them in a bowl. Mash with a fork until broken up. Add the **whole beans** to the bowl, set aside.

Make the Cheese Sauce

Meanwhile, grate the **cheese**. Heat a drizzle of **oil** in a saucepan on medium-high heat. Once hot, add the **chorizo** and fry until golden, 3-4 mins. Stir in the **flour** and cook until it forms a paste consistency, 1-2 mins. You've made a roux! Gradually, stir in the **water** (see ingredients for amount) and bring to the boil - it will thicken into a thick paste like sauce, 1-2 mins. Stir in the **Cheddar, chilli** (add less if you don't like heat), **half the coriander** and **half the soured cream**. Remove from the heat.

Wedge Time!

Pop the **wedges** on a large baking tray in a single layer. Drizzle with **oil**, then season with **salt** and **pepper**. Toss to coat, then spread out and roast on the top shelf of your oven until golden, 25-30 mins. Turn halfway through cooking. Meanwhile, heat a drizzle of **oil** in a frying pan on medium-high heat. Once hot, add the **pepper**. Stir-fry until starting to colour, 3-4 mins.

Bake!

Taste and season the **beef** with **salt** and **pepper** if needed. Lay the **tortillas** on a board (2 per person), spoon the **beef mixture** down the centre of each then roll them up to enclose the filling. Drizzle a little **oil** over the bottom of an ovenproof dish, lay in the **wraps**. Pack them snugly, side by side, with the folded edge underneath so they don't unroll. Spoon the **cheese sauce** over the top in dollops then spread out evenly. Bake on the top shelf of your oven until golden, 8-10 mins (move the **wedges** to the bottom shelf).

Finish the Beef

Once the **pepper** has coloured, add the **beef mince** to the pan, season with **salt** and **pepper**. Cook until browned, 5-6 mins. **IMPORTANT:** *The mince is cooked when no longer pink in the middle.* Use a wooden spoon to break it up as it cooks. Drain any excess fat from the pan. Once browned, stir in the **Mexican spice, garlic** and **tomato purée** cook for 1 minute. Pour in the **water** (see ingredients for amount), **black beans** (whole and mashed) and the **red wine stock paste**. Stir to dissolve the **stock pot**, bring to the boil and simmer until the **mixture** is nice and thick, 10-12 mins, stirring occasionally.

Finish Up!

Slice lengthways into the **avocado**. Once you reach the stone turn the **avocado** around to cut it in half. Twist each half and pull it apart. Remove the stone then scoop out the flesh into a bowl and mash with a fork. Zest and halve the **lime**. Squeeze half the **lime juice** into the bowl with the **avo**, season with **salt** and **pepper** and mix well. Stir the **lime zest** into the remaining **soured cream** and stir together. Serve the **enchiladas** with the **wedges** on the side, dollops of **guac** and **soured cream** and the remaining **coriander**. Cut any remaining **lime** into wedges to serve alongside.

Enjoy!

There may be changes to ingredients in recipes:

Allergens: Always check the packaging of individual products/ingredients for up to date information.

Missing Ingredients: You will be notified by email if an ingredient is missing or replaced, with any potential recipe step changes.
