## 1 PREHEAT OVEN AND PICKLE JALAPEÑO

**Wash and dry all produce.** Adjust rack to upper position and preheat oven to 425 degrees. Thinly slice **jalapeño**, then toss in a small bowl with **vinegar**, ½ **tsp sugar**, and a pinch of **salt**. Set aside.

## 4 MAKE STUFFED PATTIES

Shape **beef mixture** into four thin patties, each about as wide as the buns. Place **1 heaping TBSP cheese mixture** in the center of two patties. Press down on cheese a little to flatten but do not spread. Place remaining two patties on top and seal edges to close completely. Heat a drizzle of **oil** in a large pan over medium-high heat. Add stuffed patties and cook to desired doneness, 4-6 minutes per side. **TIP:** It's OK if some of the cheese mixture drips out.

## 2 ROAST SWEET POTATOES

Cut **sweet potatoes** into ½-inch-thick wedges. Toss on a baking sheet with a drizzle of **oil**, a big pinch of **salt**, and half the **fry seasoning**. Bake in oven until browned at edges and tender, 20-25 minutes, tossing halfway through. Meanwhile, halve **shallot**. Peel and finely chop one half (use the other as you like).

## 5 MAKE GARLIC MAYO

While patties cook, grate **garlic**. In another small bowl, stir together **mayonnaise** and a pinch of garlic (use more to taste). Season with **pepper**. Split **buns** in half. (**TIP:** If you like, you can toast the buns cut-side down in the beef drippings in the pan used for the patties.) Thinly slice **tomato**.

## 3 PREP PATTIES

Place **cream cheese** in a small microwave-safe bowl. Microwave on high until soft, about 15 seconds. Stir in **cheddar**. In a large bowl, gently mix together **beef**, **shallot**, remaining **fry seasoning**, and a pinch of **salt** and **pepper**.

## 6 ASSEMBLE AND SERVE

Spread **bun bottoms** with as much **garlic mayo** as you like. Fill buns with **stuffed patties**, **tomato**, and **jalapeño** to taste. Divide burgers and **sweet potatoes** between plates. Serve with any remaining garlic mayo for dipping the sweet potatoes into.
