Get Started

Preheat your oven to 220°C. Pop a large saucepan of **water** onto boil on a high heat with ½ tsp **salt**. Trim the **green beans**. Peel the **potatoes** and chop into ½ cm thick discs. Add to the **water** and simmer until the **potatoes** are just cooked, 8-12 mins. Meanwhile, halve, peel and thinly slice the **red onion**. Peel and grate the **garlic** (or use a garlic press). Pick the **rosemary leaves** from their stalks and roughly chop (discard the stalks). When the **potatoes** are cooked, carefully drain into a colander and allow to steam for a couple of minutes.

Green Beans

Meanwhile, heat a drizzle of **oil** in another frying pan on medium high heat. Add the **green beans**, season with **salt** and **pepper** and stir fry for 2 mins then add the remaining **garlic** and cook, stirring, for 1 min. Add a splash of **water**, cover with foil and cook for 3-4 mins, until just tender.

Assemble the Gratin

Once the **potatoes** are drained, lay **half** the **potato** slices in an appropriately sized ovenproof dish. Set aside. Heat a splash of **oil** in a frying pan over a medium-high heat. Add **half** the **garlic** and cook stirring for a minute. Stir in the **water** (see ingredients for amount), **stock powder**, **creme fraiche** and **rosemary**. Bring to the boil, remove from the heat and pour onto the **potatoes** in the dish. Arrange the remaining **potatoes** on top. Cover with a layer of **hard Italian style cheese**. Bake the gratin on the middle shelf of the oven until the **potatoes** are cooked through and top is golden, 15-20 mins.

Sauce Time

Whilst the **beans** are cooking and the **steaks** are resting, heat a drizzle of **oil** in the now empty steak frying pan, on medium heat. Add the **red onions** and fry until softened and slightly caramelised, 2-3 mins. Add the **water** (see ingredients for amount) and the **red wine jus paste**. Stir to dissolve, bring to the boil then simmer for 1-2 mins. Add the **steak resting juices** and a splash more **water** to loosen if you like. Remove from the heat.

Cook the Lamb Steak

Ten mins before the **gratin** is cooked, heat a drizzle of **oil** in a frying pan on high heat. Season the **lamb steaks** with **salt** and **pepper**. When the **oil** is hot, lay the **steaks** in the pan and brown for a minute on each side. Lower the heat slightly and cook for another 2-3 mins on each side for medium rare. **TIP: Cook for 2-3 mins more if you like it more cooked. IMPORTANT: The steak is safe to eat when the outside is browned.** Set aside to a plate to rest, loosely wrapped in foil. Don't wash your pan, you need it later for your sauce.

Serve Up

Share the **lamb steaks** between your plates with the **potato gratin** and **garlicky beans** alongside. Pour over the **red onion jus**.

Enjoy!
