## START STRONG

Charring your corn adds a smoky-sweet flavor—just be careful as the kernels cook in step 4. It's natural for them to pop a bit. To keep them where they belong, make sure to drain and dry thoroughly before adding to the pan, or use a splatter screen if you have one.

## 1 PREP

Wash and dry all produce. Halve, peel, and thinly slice **shallot**. Zest and halve **lime**. Thinly slice **jalapeño** into rounds, removing ribs and seeds for less heat.

## 4 CHAR CORN

Drain **corn**, then pat very dry with paper towels. (**TIP:** The drier your corn, the less likely it is to pop in the pan.) Heat a large, dry pan (preferably nonstick; if not, add a drizzle of oil) over medium-high heat. Add corn and cook, without stirring, until browned on bottom, 3-4 minutes. (**TIP:** If corn begins to pop, cover pan.) Continue to cook, stirring, until charred all over, 3-4 minutes more. Turn off heat; transfer to a medium bowl.

## 2 PICKLE VEGGIES

In a small bowl, combine **shallot**, juice from whole **lime**, ¼ tsp **sugar** (½ tsp for 4 servings), a pinch of **salt**, and as much **jalapeño** as you like. Set aside to pickle, stirring occasionally, until ready to serve.

## 5 COOK PORK

Heat 1 TBSP **butter** and a drizzle of **oil** in same pan over medium-high heat. Add **pork** and a pinch of **salt** and **pepper**. Cook, breaking up meat into pieces, until browned, 4-6 minutes. Stir in **Southwest Spice** and ¼ tsp **chili powder** (½ tsp for 4 servings; you'll use the rest in the next step). Cook until fragrant, 1 minute. Stir in **stock concentrate** and ¼ cup **water**. Cook until liquid has mostly reduced and pork is cooked through, 2-3 minutes. Turn off heat.

## 3 MAKE CREMA

In a second small bowl, combine **sour cream**, ¼ tsp **chili powder** (you'll use more later), **salt**, **pepper**, and **lime zest** to taste. Add **water** 1 tsp at a time until mixture reaches a drizzling consistency.

## 6 FINISH & SERVE

Reserving veggies, pour **pickling liquid** to taste into bowl with **corn**. Stir in a drizzle of **olive oil**, remaining **chili powder**, and a big pinch of **salt** and **pepper**. Wrap **tortillas** in damp paper towels and microwave until warm and pliable, 30 seconds. Divide tortillas between plates and fill with **pork** and corn. Top with **crema** and as many **pickled veggies** as you like. Serve.

## TOP-NOTCH

Pickled shallot and jalapeño are also delicious atop burgers!
