Cook the Wedges

Preheat your oven to 200°C. Pick the **rosemary leaves** from their stalks and finely chop (discard the stalks). Chop the **potatoes** into 2cm wide wedges (no need to peel). Lay on a baking tray. Drizzle over a little **oil** and sprinkle on the **rosemary**. Season with **salt** and **pepper**. Toss to coat, then spread out evenly and roast on the top shelf of your oven until crispy, 25-30 mins. Turn halfway through cooking.

Make the Burgers

Coarsely grate the **apple**, discard the core. No need to peel. Place in a clean tea towel and squeeze out as much **juice** as you can (you don't want soggy burgers). Put the **pork mince** in a mixing bowl and add the **grated apple** and the **panko breadcrumbs**. Season with **salt** and **pepper**, then mix well and form into burgers 2cm thick (one per person). **IMPORTANT:** Wash your hands and equipment after touching raw meat.

Fry the Burgers

Heat a glug of **oil** in a frying pan on medium heat. Once hot, gently add the **burgers** and cook them 5-6 mins on each side. **IMPORTANT:** The burgers are cooked when no longer pink in the middle. **Tip:** Don't turn each burger until it has formed a crust on the underside or it might stick to the pan.

Melt the Cheese

Meanwhile, grate the **Cheddar cheese**. Once the burgers are cooked, take the pan off the heat. Divide the **cheese** between the tops of the **burgers**, then pop a lid on the pan and set aside for the **cheese** to melt, about 4 mins.

Dress the Salad

While the **burgers** are cooking, slice each **bun** in half. Place on another baking tray and pop them on the middle shelf of your oven to warm through for the last 2-3 mins of **potato** cooking time. **TIP:** Watch your buns don't burn. Put the **sugar** (see ingredients for amount) in another mixing bowl and add a squeeze of **lemon juice** and **olive oil** (see ingredients for amount). Season with **salt** and **pepper**. Just before serving, add the **rocket** and toss well.

Finish and Serve

Spread a little of the **apple and sage jelly** on the base of each **burger bun**. Serve your **burgers** in the **buns** with some **wedges** and **salad** alongside.

Enjoy!

There may be changes to ingredients in recipes:

Allergens: Always check the packaging of individual products/ingredients for up to date information.

Missing Ingredients: You will be notified by email if an ingredient is missing or replaced, with any potential recipe step changes.
