1 COOK PASTA

Wash and dry all produce. Bring a large pot of **salted water** to a boil. Once boiling, add **penne** and cook, stirring occasionally, until al dente, 10-12 minutes. Carefully scoop out and reserve **½ cup pasta cooking water**, then drain.

4 COOK SHRIMP

Push **zucchini** to one side of pan and add another large drizzle of **olive oil** to center. Add **shrimp** and cook, tossing occasionally, until pink and just cooked through, 3-4 minutes.

2 PREP

Meanwhile, halve **zucchini** lengthwise, then slice into ¼-inch-thick half-moons. Thinly slice half the **chili** (if you like it spicy, feel free to use all). Rinse **shrimp**, then pat dry with a paper towel, removing as much moisture as you can.

5 TOSS PASTA

Add **penne**, **garlic herb butter**, half the **Parmesan**, and **¼ cup pasta cooking water** to pan. Season with plenty of **salt** and **pepper**. Toss until combined and coated in a loose sauce. **TIP:** Add remaining ¼ cup pasta cooking water, as needed, if mixture seems dry.

3 COOK ZUCCHINI

Heat a large drizzle of **olive oil** in a large pan over medium-high heat. Add **zucchini** and **chili** and cook, tossing occasionally, until zucchini is lightly browned, about 2 minutes.

6 FINISH AND SERVE

Divide **pasta** between bowls. Sprinkle with remaining **Parmesan** and a drizzle of **olive oil**. **TIP:** Garnish with additional chili (to taste) for extra heat.
